Re: Georgia Argyris v. Board of Education of the City School District of the  
City of New York, et. al.  
07 Civ. 9623

Dear Judge Chin:

I am an Assistant Corporation Counsel in the Labor and Employment Law Division of the New York City Law Department and the attorney assigned to the defense of the NYC Department of Education ("DOE") in this action. I am writing to respectfully request a two week extension of time within which DOE may respond to the amended complaint. DOE's response to the amended complaint is currently due May 23, 2008. Plaintiff's counsel consents to this request. This is DOE's first request for an extension of time to respond to the amended complaint.

The reason this request this made is because DOE needs additional time to investigate the allegations in the amended complaint before answering or otherwise responding. In addition, I have a previously scheduled vacation, where I will be out of town from May 22, 2008 through May 26, 2008.

In view of the foregoing, it is respectfully requested that the Court grant DOE's request extending its time to answer or otherwise respond to the amended complaint until June 6, 2008.

Thank you for your consideration in this regard.

Respectfully submitted,

Robyn Silvermintz  
Assistant Corporation Counsel
